Location: Weymouth Woods Nature Center.

Cost for Venture Scouts and Scout leaders is \$60.00 per person.

(Cost is \$120 for non-Scouts)

Wilderness First Aid Basics is a 16-hour program that is designed for those who work, live, or play in remote areas such as rural areas, wilderness and back-country environments. This course contains the module "When Help is Delayed" and provides an excellent program for boaters, camp workers, scouts, hikers and other outdoor sports enthusiasts. This class covers assessment and urgent first aid techniques, but not in-depth CPR. Basic first aid skills are covered, making this course appropriate for anyone regardless of experience level. No prerequisites are required. A certification can be issued that has an expiration of 3 years and serves as a Basic First Aid certification as well.
